I am directed to state that the Govt. of Madras agree to the training of Pt. Note:- The D.I.& C. has suggested that a tution fee of Rs. 60/- per month may be charged based on the precedent of the Ceylonese Students. But it seems doubtful whether Jammu and Kashmir State should be treated on a par with Ceylon and tution fees charged. While the Ceylonese students required practical training in Sericulture and Filature technique, Pt. Koul requires only a short training for 2 months on the working of the Japanese Reeling Plant installed at the Factory at Kollegal. It may be mentioned here

that the Japanese Reeling Machinery installed at Kollegal is one of the 4 sets imported and supplied by the Central Silk Board. The other three sets were supplied to Mysore, West Bengal and Jammu. ~~States~~. vide Banal on p.1 c.f. of (B).

Subject to the above remarks the draft letter on p 1 above may be accepted.
